

**Silentia Plus Hinges : New Soft Close Technology**

- Silicone oil dampers integrated in the hinge cup allow a perfect and constant closing of the door in any condition, use and application.
- Silentia+ is also equipped with the innovative Switch to delay the decelerating action. The activation of this switch allows the ideal decelerating strength, even with special doors.
- Range, kinematics and adjustments remain unchanged and ensure once again that Salice is the most comprehensive offer available on the market.
- Silentia+ does not require any new mounting plates.

Description		Fixing			
		Screw-on	Rapido	Dowelled	Logica
	Series 100. Hinges for doors of small weight and reduced thickness. 12 mm cup depth.
