

### SpeedBrace T-Brace

Fastcap T-Brace is the perfect way to create the illusion of a free floating shelf that is strong enough to support over 300 lbs. per pair. Ideal for new construction, but can be used in a remodeling application when an access hole is cut in the drywall for attachment.

Black finish, 5" x 3/4" thick.  
Available in 11" and 16" lengths.

#### Features

- 1/4 to 3/8" steel
- Mounting holes on both sides
- 300 lb. capacity per pair

#### Great For

- Floating shelf
- Floating mantels

Use vix or hinge bit to center holes

Pack: 10 each.
