Banded Hearing Protector

#90537

Lightweight and convenient, the 3M™ Banded Style Hearing Protector is comfortable for extended wear and helps reduce your exposure to hazardous noise. The banded style is lightweight and low profile, making these earplugs popular for use with a hard hat and additional safety gear.

The soft, flexible foam conforms to your ear canal, providing a personalized fit that helps protect your ears from potentially damaging sound.

- Pliable foam ear tips conform to the shape of your ear canal to help block out hazardous noise, and pivot with the wearer to help provide consistent protection
- Soft, smooth ear tips enhance comfort for extended wear
- Attached band rests around your neck when not in use
- Ear tips are easily removable and replaceable (part # 90538)
- Lightweight alternative to earmuffs
- Highly visible color for easy location on a busy jobsite
- Noise Reduction Rating (NRR) of 28 dB*
- Helps protect against harmful noises that are at 85 dB and above

#90538

Replacement Tips are designed for use with the 3M Banded Hearing Protector #90537.
