Envi Kick - Kick to Open

A system for a soft and comfortable opening of all front pull-outs such as the Envi Space. The ergonomically designed step opens the waste bin system fully with little effort. The opening mechanism returns automatically to its starting position. Virtually silent.

- Quiet, hands-free door opening using foot pedal
- Only for frameless cabinets
- Retrofittable in any pull-out system with front opening
- Will not create scratch marks on the front of cabinets
- Pedal returns to start position by way of spring
