

SALICE Pacta: Hinges for Drop Down Doors

Special Order Only

Sales Bulletin
May 2018

The Pacta hinge system for drop down doors has a soft opening with a controlled, gradual fall of the door. In the fully-open position, the door and cabinet bottom are aligned, creating a flat surface.

Available in either Soft Opening with Self-close feature, or Push to open for handle-less doors. Pacta covers are offered in a variety of finishes to complement and blend with any interior.

Applications include: kitchen & bathroom cabinets, living room furniture and can also be used to create desks or writing surfaces.

Select the correct kit for the door size and weight using charts on following page.

All Kits: Door Height: Min: 11", Max: 16",
Door Thickness: Min: 5/8", Max: 1-1/8".
