

Quadro IW20 & IW21 4D Push-To-Open with Soft Close

Opens without handles, closes softly and silently

With this Push to Open set, drawers are easy to open without handles, gently and quietly closing again. Drawers can still be pulled open and soft closed.

With the synchronization bar, the system can be activated from the edges of large drawer fronts, even with narrow front panel reveals.

- Drawer can still be pulled open/ soft closed
- Reliable activation for wide drawers with synchronization bar
- Clips into place without the need for tools
- Internal cabinet width > 7-7/8" (200mm), minimal drawer front gap of 2.5mm
- For drawer lengths: 15" - 24"
