**Filter Replacement Packs - 3 Filters per Pack**

**F1** standard filter has two filter layers, the outer particulate filter and the internal active carbon element - effective towards fumes and odors.

Available in Medium (F1-M), Large (F1-L) and Extra Large (F1-XL) to match your mask.

**Net \$ 6.95 /Pack**

**F2** High-Flo Filter has 40% better 'breathability' than the standard F1 filter. It has two layers of particulate filters. The F2 is for screening particulates, not fumes.

Available in Medium (F2-M), Large (F2-L) and Extra Large (F2-XL) to match your mask.

**Net \$ 9.95 /Pack**

**F3** is the *premium* filter. It has the improved breathability of the High-Flo along with the active carbon filter. It is designed to filter particulates AND fumes.

Available in Medium (F3-M), Large (F3-L) and Extra Large (F3-XL) to match your mask.

**Net \$ 12.95 /Pack**
