Volante Desktop Sit-Stand Workstation

The Volante Sit-Stand Desktop Workstation quickly and economically converts an existing desk to a smooth and effortless sit-stand workstation.

- Comes completely assembled and requires no tools to install making it an easy retrofit for an existing office space
- Compact footprint: Fits easily onto a 24" deep desk
- Gas assisted height adjustment provides smooth, quiet and infinite height positioning
- A large primary work surface can be extended 20" above the desk to accommodate a wide range of users. This work surface is large enough to fit two 24" monitors, an Apple iMac, a monitor arm or a laptop and comes with a standard grommet for cable management or mounting a monitor arm
- 20° (-10/+10) of ergonomic keyboard tilt allows users to select their best typing position
- 35 lbs. weight capacity
- Weighing only 40 lbs, the Volante is light enough for a simple installation and for moving from desk to desk
