

CORNERSTONE MAXX

Right Hand unit shown

One Shop's Experience:

- The foreman's first response to seeing the Cornerstone arrive:

"Why did they order something different than the other German brand?" After he installed it: "This installed so EASY and I really like it. Let's use this from now on."

- Can be installed with drawer above
- The shelves can be moved in and out independently and do not obstruct the adjacent cabinet
- Rapid **single** post install showcases floating design
- Tool-free assembly of shelves onto supports
- Simple height adjustment
